VISION FOR PASTORS

Our Vision for Pastor Ministry has over 350 pastors around the world that we sponsor and support. Typically these pastors meet with their congregations in ramshackle buildings, in small living rooms, or outside in the open. Often each church shares one Bible during the service to hear the good news. The pastors make around \$25 a month to support both their family and their congregations.

A Cuban pastor reported, "I know that if I've come this far, it's not because of my strength or my ability, but by the power of the Holy Ghost. And I thank my Lord for choosing me to serve Him. We are working with family groups involving the men, heads of households so that they may take their rightful place in their homes and in the Kingdom of God, and in this way we could see God's design in action. We want as a church to conquer the families of this community and turn it into a community of faith.

"We thank God that despite the moments of crisis we are going through in this pandemic, God has kept us from the plague and has provided and allowed our shortcomings to be a blessing and a help to others. Glory to God! Please, keep my family, church and nation in your prayers. We are grateful to you for your support and your offerings and to all people that make it possible. Because of this support we have been able to meet needs that we could not have met in this time where the pandemic has been greatly affecting our people. May God abundantly provide for you and you will not lack of God's ointment on your heads."

We ask for prayer that our pastors find new workers who support the work of God and also for financial resources. The pastors ask for prayer, that there will continue to be a strong mobilization of the Church to extend beyond the four walls of the Temple to reach the lost. We also pray for the pastors and their families that God continues to bless them in their work.

A Hmong leader that has been pastoring for 16 years ministers to over 40 families and teaches leadership training classes and how to serve the Lord. This pastor takes care of the Hmong people in the surrounding villages and spreads the Good News wherever they go. This leader is encouraged to see the people in the community grow in faith and prays that they fully give up drinking and smoking. The Hmong ask that we be praying for their ministry and the villages that they minister to. Let us pray that these individuals accept Christ as their savior and that they learn to stand firm in their faith and will not be deceived by false teachings. They also say thank you to all of our ministry partners.

Daniel 12:3

And those who are wise shall shine like the brightness of the sky above; and those who turn many to righteousness, like the stars forever and ever.

Our Nepal pastors have been working tirelessly to provide humanitarian relief to their congregations and their communities. (Vision Beyond Borders has provided thousands of dollars each to partner ministries in Nepal, Iraq, Pakistan and Burma.) One Nepali pastor says, "Thank you once again to the entire Vision Beyond Borders family for sending the funds, prayer, love, and concern to the people of Nepal."

Without our volunteers and supporters our Vision for Pastor Ministry would not be possible. We pray that God continues to not only provide Vision Beyond Borders with pastors to sponsor, but to provide those pastors with the financial resources and support to continue doing God's work. We know that God is faithful and pray that He will continue to bless our Pastor Ministry.
