We are excited to end 2020 on a high note, as we celebrate the opportunity to share the Word of God through our Bible Projects. This is always a step of faith for us at Vision Beyond Borders, but we believe that God will bless these efforts to share His Word, and so we continue to expand our reach into more and more countries by sending Bibles. Please consider joining us by supporting a Bible Project. All donations are tax-deductible. We pray God's blessing on each Bible Project!

Hmong Bible Project

Our main contact who is working to reach the Hmong people with the Gospel has spent over 7 years in prison for his faith in Jesus Christ. Over the past 30 years he and his team have planted over 1,100 Churches in Vietnam and Laos and they continue to spread the Gospel. Our teams have been able to deliver over 100,000 Hmong Bibles over the past 30 years. The Hmong Church has grown to over one million Christians and the need for Bibles is still great. Please pray with us that God will continue to bless the work among the Hmong people!

Laos Bible Project

In 1991 there were only 400 Christians in Laos. Today there are over 250,000. Through the generous support of VBB donors we have been able to put over 130,000 Bibles into the hands of the Lao Christians. We are working to print 100,000 Lao New Testaments to reach even more people in Laos with the Gospel. VBB is also working to print 30,000 full Lao Bibles to distribute in 2021. Please pray God will continue to work and change these precious people with the Gospel.

Spanish Bible Project

Most Latin Americans are highly religious. Approximately 84% of adults were raised in Catholicism, raised under the teaching of man, but not according to the sovereign Word of God. This is due to the lack of knowledge of the Word of God. VBB has been sending thousands of Bibles to Latin America, bringing knowledge and understanding to people of who God is and His plan of salvation. VBB is supplying the churches with Bibles. Many of our brothers and sisters in Christ in Latin America do not have Bibles due to poverty and lack of availability where they live.

It has been a blessing to hear testimonies of how God has answered their prayers to obtain their own Bible. In many churches only the pastor has a Bible.

One of our contacts in Venezuela told us about a pastor who cried to God all night with his congregation for Bibles. They would pass each other the only Bible they had. The next morning the contact knocked on the door asking that if his congregation had a need for Bibles. The pastor was speechless for a few minutes. Then he told the contact how God had answered his prayer!
