A photograph showing a man in a green quilted jacket and white shirt standing and comforting an elderly woman. The woman is seated on a white cloth, wearing a vibrant red and yellow patterned sari. She has her head bowed and her hands clasped in front of her. The man is standing to her right, with his hand resting on her head. The background is a rustic wall made of dried straw or hay. A wooden stick lies on the ground in the foreground. The image is overlaid with a large white 'Y' and a '1' on the left side.

"And those whom he predestined he also called, and those whom he called he also justified, and those whom he justified he also glorified" ROMANS 8:30

VISION FOR PASTORS

By the grace of God, Vision Beyond Borders continues to support pastors around the world. In Cuba we have a total of 185 pastors of which 173 are sponsored. In Nepal we have 20 pastors of which 18 are being sponsored. In southeast Asia we have 36 Hmong pastors sponsored. Despite the global situation that we have been facing with COVID, these pastors have been able to receive the help that our sponsors generously continue to send them.

We are delighted to now be able to add pastors in Venezuela to this list of countries! Currently, minimum wage in Venezuela is \$1 USD per month. Monthly sponsorship would give relief to the pastors, who strive to help the members of their churches; encouraging them to continue taking the gospel to the people in Venezuela. The testimonies we have received have been very encouraging!

People have been crying out for God to help them, and their hearts are open to receive to the gospel. We have received testimonies of people giving their lives to Christ, from entire police forces, to people who have practiced witchcraft, and those who are currently incarcerated. Recently, we were told that an entire family who used to practice witchcraft were given a Bible and received Jesus Christ as their savior! They destroyed all the idols that they had and asked the Lord for forgiveness. We give all the glory to our Lord Savior Jesus Christ for this!

We thank all of our brothers and sisters who support the ministry work of these pastors!

TESTIMONIES

Pastor Valdez

"We are undertaking a Planting Project in order to dedicate 60% of production to evangelism, helping the most vulnerable in the community with food and money. This project helps brothers and especially very poor neighborhoods where we go and spend a day with the local children, we organize activities and competitions with young people, and when we visit them we bless them with food, clothes, money, hygiene articles for the people that need it more. All this has been possible with the help and offerings of the brothers and sisters of the congregation. Another activity we have done is a Movie Night. We invite the village to an evangelistic film, at the end of the movie we invite them to receive Jesus as their Lord and Savior, now with the pandemic we are a little limited, but we continue to help those in need."

Pastor Yadira

Yadira is 71 years old and has been following the Lord for 42 years. While she was on her walk with Jesus Christ she met her husband, José Rojas. Together they pastored for 32 beautiful years, until he left to be with the Lord on October 8, 2019. She shared with us, "One of the greatest struggles I now face is pastoring alone without the support of my husband. In this ministry, my great strength comes from my Lord and my brothers and sisters in Christ who have helped me." During her life one of the greatest miracles that she has witnessed was actually in her own life while battling colon cancer. She shared, "I became very ill and now I am healthy because the Lord has healed me."
