New Vision

Thrift Store

HOURS WILL BE
10 AM - 6 PM
TUESDAY - SATURDAY

We are excited to announce the opening of New Vision Thrift Store in Casper, WY. God has blessed this ministry with people bringing clothes and supplies to us from across the state. Over the years, we have worked hard to be good stewards of what has been entrusted to us. Due to COVID, the needs of people have increased around the world. More ministries are requesting food and additional supplies to help the growing number of people in need.

As a result, we decided to set up the thrift store to raise funds to help more people in need around the world. The funds will go to help rescue women and children from sex trafficking; to purchase and ship more food to those in need, and to raise funds to print and ship Bibles to those hungry for God's Word. This includes those in prison, drug/alcohol rehab and poor villagers who cannot find or afford to purchase a Bible. Our policy has always been to provide a good-quality Bible in the language of the recipient, free of charge.

In addition to having the thrift store, we are also working to sell high-end merchandise online, so as to generate more funds for God's work. While the store has a full-time manager, we are hoping to get volunteers to help in the store. We are grateful to have faithful volunteers that come weekly to the Casper Office/ Warehouse who sort clothes that can be sold in the thrift store. If you would like to donate items for this aspect of the ministry, please let us know.

Several people have told us that they want to support the thrift store through their purchase and donations as they know the work that God is doing through Vision Beyond Borders. Our prayer is that the thrift store would not only be a store but also a place where people can receive prayer and ministry.

As the Executive Director, I'm excited to see this thrift store coming to fruition. I appreciate everyone's involvement. Most of all, I'm excited that we are also a ministry to those in need in our immediate area. Over the years, many people have asked me, "What does Vision Beyond Borders do to help the people of America?" We have tried to be an outlet for people to help those in need around the world, giving people an opportunity to give and to travel. We have been working to fight sex trafficking here and abroad, reaching out to Chinese communities throughout the USA, and have helped meet the needs of some people here in America. Now with New Vision Thrift Store, we are praying for more opportunities to minister to those in need here at home.

Thank you for your support! ~Patrick Klein
