ROMANS 10:15

' How beautiful are the feet of those who bring good news '

This year we took on one of our largest Bible Projects ever, sending 500,000 Spanish Bibles to places like Venezuela, Cuba, and Honduras. This project will get Bibles into the hands of people in poor cities and remote villages where there is little to no access to Bibles. Vision Beyond Borders has always believed that every person should have access to the Word of God and we are committed to get Bibles to people wherever they are. Join us this December for end of year giving towards our Spanish Bible Project to help us reach our goal and spread the good news!

Testimony

"A woman who had been involved in witchcraft for many years heard the Gospel message as we distributed Bibles to the members of a church. She asked our contact if she could receive a Bible. She shared with us that she had been practicing witchcraft, but after confessing this she accepted Christ as her Lord and Savior. She then asked the pastor of the church to come with her to her house and help her destroy the images she had been using to practice witchcraft. She was very sorry to have led her entire family in the paths of sorcery. To the glory of God all this woman's family received Christ and all their idols were destroyed. A couple of months later this woman suffered a heart attack and died. We are grateful she had the opportunity to hear the Word of God and be saved."
