## A STOREHOUSE FOR THE NATIONS

Over the years, our warehouse has been much more than just a storage space—it's been a place where ministry begins. It's where Bibles are packed to be sent into closed countries, supplies are gathered for refugee families, and pastors in remote areas receive the tools they need to shepherd their flocks.

With the growth of our ministry, especially after opening the thrift store in Casper, we found ourselves stretched between two locations. Transporting items and coordinating volunteers became a challenge. But praise the Lord—He has provided a way forward!

This past year, we sold our old properties and moved to a beautiful new spot right off the highway. It's highly visible, easily accessible, and already making a significant impact. The front building now houses our thrift store, and behind it, the frame of our brand-new warehouse and office space is up!

The new property with New Vision Thrift Store in the front and the new warehouse and offices in the back of the property.

And here's the best part: this new space isn't just about logistics—it's about people.

We've already had groups of volunteers come in to help sort and pack materials that will soon be sent across the globe. For those who may not be able to travel overseas but still have a deep passion for missions, this warehouse provides a practical way to serve. It's been a joy to see families, church groups, and individuals come together under one roof to participate in the Great Commission in tangible ways.

As we begin work on the interior, we still need financial support to finish strong. Your giving helps us build not just a warehouse, but a launchpad for the Gospel.

Will you prayerfully consider giving toward the completion of this project?

Your support enables us to serve more efficiently, involve more volunteers, and reach a wider audience with the love of Christ.

Thank you for standing with us. Whether you pray, give, or come and serve, you are a vital part of all that God is doing through Vision Beyond Borders.

With joy and gratitude,  
The VBB Team
